

AMENDMENTS TO THE CLAIMS:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1-12. (Canceled)

13. (Currently Amended) An apparatus for obtaining data for acquiring a broadcasting program, the apparatus comprising:

a terminal configured to request said data for acquiring said broadcasting program from a ~~provider~~ broadcasting station using an IP address stored in storage means and to receive said data from said ~~provider~~ broadcasting station, the IP address being a homepage address of the broadcasting station; and

the storage means in said terminal configured to store said received data, wherein said received data includes time information for said broadcasting program and a broadcasting source information.

14. (Previously Presented) The apparatus of claim 13, wherein said time information includes a start time and a finish time of said broadcasting program.

15. (Canceled)

16. (Currently Amended) The apparatus of claim 13, wherein said terminal further includes communication means for transmitting a request for said data to said ~~provider~~ broadcasting station and receiving said data from said ~~provider~~ broadcasting station.

17. (Previously Presented) The apparatus of claim 13, wherein said broadcasting source information comprises a broadcasting station name.

18. (Previously Presented) The apparatus of claim 13, wherein the terminal requests the data and receives the data from the internet.

19-29. (Canceled)
